1 Bowling, resulting in the settlement of injunctive relief aspect of the case. The damages,

3 continuing litigation between the parties.

6 Conference has been set for November 2, 2007.

7 The parties have agreed to return for further negotiation through the mediation
8 process with Daniel Bowling. This mediation is set for November 9, 2007. Consequently,
9 the parties hereby request that the current Case Management Conference be continued to
10 November 30, 2007 or as soon thereafter as the court may have available so as to allow the
11 parties to focus their efforts on resolution of this case without incurring additional fees and
